SUMMARY

A dedicated and self-motivated software developer with **over 2 years** of professional experience in front-end and MERN stack and Next js development. Seeking a challenging role to utilize my skills in building scalable web applications and contribute to a dynamic team.

WORK EXPERIENCE

Freelance Developer (Full Stack)

Jun 2023 - Present

- Developed and deployed a comprehensive Hotel Management System, live at www.trishulregency.in, featuring user management, room booking, and inquiry functionalities.
- Currently building a Taxi Booking System using Next.js, live at uk-tour-travels.vercel.app, with features like trip booking and client taxi management.
- Continuously enhancing technical expertise through self-initiated projects and hands-on learning.

Junior Engineer (Frontend Developer)

QuoDeck Technologies Pvt. Ltd., Mumbai (Work from Home)

December 2021 – April 2023

- Collaborated on the development and maintenance of a Content Management System (CMS) for multiple clients.
 - Leveraged React.js, Storybook, Redux, TailwindCSS, and JavaScript to implement responsive, dynamic user interfaces.
 - Worked on integrating Figma designs into pixel-perfect and responsive web pages.
 - Implemented components and UI libraries using JSX and Storybook for reusable, scalable development.
 - Contributed to cross-functional teams to deliver high-quality software solutions within tight deadlines.
-

EDUCATION

Master of Computer Applications (MCA)

Sep 2019 - Oct 2021

Govind Ballabh Pant Institute of Engineering and Technology, Pauri (Uttarakhand Technical University)

Bachelor of Computer Applications (BCA)

Aug 2016 - Aug 2019

Kumaon University, Nainital
